Box 1: Real Property

The types are a home or developed land or undeveloped land. You will also need to check the box that shows who you wish to use that property during the time the Protection Order is in place. You can check the box for either the Person to be Protected or the Respondent. You can list up to 3 types of property on the form but if you need more space, please attach a separate sheet and list out the remaining property.

Box 2: Vehicles

Check this box if you want any vehicle(s) to be divided between the Person to Be Protected or the Respondent. Please write in the details of the vehicle requested as follows: make, model and year. Be sure to check the appropriate box as to which Party should receive each vehicle.

Check this box if you want any bank account(s) to be divided between the Person to Be Protected and the Respondent either in whole or in part. Please write in the details of the bank accounts, with one entry per account as follows: bank name and type of account. Specify the percentage (%) of division between the parties for each account that you would like to see.

Box 4: Personal Effects & Other Property

Check this box if you want any personal property divided which does NOT include real property (house or land) or vehicles; personal property may refer to items such as furniture, household items, collections, tools, jewelry, regalia, clothing, appliances, artwork, etc. Check the appropriate boxes and list the property – if you need more space, please attach separate sheets.
